

Submission Instructions

After you have completed all the tasks given in Progress Task, you are required to submit the completed task on Portal.

Before you submit Progress Task, please make sure you have the following in place

1. **Blender Models** folder (created in Problem Statement 1).
2. **AVR Code** and **Python Code** (created in Problem Statement 2).
3. Youtube link of **eYRC#TC#<Team_id>#ProgressTask_Video**

Create a folder and rename it **eYRC#TC#<Team Id>#ProgressTask**. Copy the Blender Models, AVR Code and Python Code folder to this folder and compress it as .zip file.

After this do the following:

- Login to eYantra Portal and go to Progress Task tab.
- Go to the upload section and upload the zip folder
- Go to the upload Video section and submit the Youtube link of eYRC#TC#<Team_id>#ProgressTask_Video.
