Submission Instructions

After you have completed all the tasks given in Task 3, you are required to submit the completed Task 3 on Portal.

Before you submit Task 3, please make sure you have the following in place

1. **eYRC#TC#<Team Id>#Task3.1A.txt** text file (created in Task 3.1A)
2. Modified **Code** folder (in which echo.py and echo.c were completed in Task 3.1A)
3. **eYRC#TC#<Team Id>#Task3.1B.txt** text file (created in Task 3.1B)
4. **Crow-Robot** AVR project folder (completed in Task 3.1
5. Theme and Implementation Analysis document (completed in Task 3.2)

Create a folder and rename it **eYRC#TC#<Team Id>#Task3.** Copy all the above files in that folder and then compress it in a zip folder.

After this do the following:
- Login to eYantra Portal and go to Task 3 tab.
- Go to the upload section and upload the zip folder.
